Dear Parent/Carer

Re: Parent Hub App

Parent Hub is the main system we use to communicate with parents/carers and the easiest way for you to keep up-to-date with everything that is happening in school.

Parent Hub is **FREE** for parents to download and use and very easy to set up.

1. Using your phone download the Parent Hub app from your app store.
2. This is the app symbol you are looking for:

3. Tap 'Add a School and enter @BuxtonJuniors
4. Then click on the 'schools' tab (in the bottom right hand corner) and select 'add your children' then follow the steps to verify that you are a parent.
5. Add the Year channel(s) relevant to your child/ren.

Thank you for your support.

Yours sincerely
