About Playdays

Welcome to Playdays Out of School Club. We provide high quality childcare at a reasonable cost within a relaxed but stimulating environment of friendship and creativity.

Our main breakfast club and after school club is based at Buxton Infant School. Here we provide breakfast and after school care for Buxton Infant and Buxton Junior children; we walk the Junior children between the club and school each day. After school care is also provided for Burbage Primary children; we collect them using the minivans each afternoon and transport them back to Buxton Infant School. At Harpur Hill Primary School, Playdays also provides breakfast club care and offers a 5pm collection slot to transport any children who require care between 5pm and 6pm back to Buxton Infant School. Harpur Hill offer their own after school club until 5pm; this must be booked directly through the school.

Playdays is owned and managed by Andrew O'Connor as part of Green Lane Nursery Ltd. Andy set up Playdays in 2004 after establishing a need for quality out of school care in the area. We take childcare very seriously and understand the trust you place with us when you choose us to look after and care for your children. We have a dedicated team of friendly, highly motivated practitioners, all of whom are DBS checked, hold childcare qualifications and a paediatric first aid certificate.

Our clubs aim to provide an exciting activity programme that encourages children's play. Children attending should feel confident within the setting to enable them to develop physically, emotionally, and socially whilst having the opportunity to explore, discover and be creative. We believe that children should be allowed to play freely both indoors and outdoors; most of all we encourage the children to have fun!

What our Parents and Ofsted think about us . . .

"I do not need childcare in the summer holidays, but they would rather come here than spend time at home as it is so much fun."

"Children have immense fun at the club. They have opportunities to develop their physical skills and coordination."

"The hardest part is getting my child to leave at the end of the day."

"The range of activities offered are the best I have known from any out of school club."

"Partnerships with parents are excellent, and parents speak highly of the club and the staff."

Breakfast and After School Club

We have the following club locations: ***Playdays at Buxton Infants*** and ***Playdays at Harpur Hill***. *Playdays at Buxton Infants* offers breakfast and after school club care to children who attend Buxton Infants and Buxton Juniors. We also offer after school club care only to children from Burbage Primary. *Playdays at Harpur Hill* provides breakfast club only but does offer a 5pm collection to transport children to the main club at Buxton Infants if needed.

Our breakfast clubs run from 7.45am (7:30am at Harpur by pre-arrangement only) until school starts and includes cereals, toast, brioche, and a drink, plus a chance to play before school starts. Please note that breakfast is only on offer before 8:30am so that children have enough time to get ready for their day at school.

Our after-school clubs provide care from the end of school until 6pm and we offer a superb range of activities, including arts and craft, games and sports, scooters, plus lots of outdoor play. We provide daily snacks including fresh fruit, toast, pancakes, pitta bread, crackers, and brioches.

Playdays at Buxton Infants

Playdays at Burbage

Based at Buxton Infant School on Hardwick Square. We collect the children from the playground at Burbage Primary School and bring them back to Buxton Infants using the minibuses and occasional walking if necessary. Please come to the front gate of the playground for collection; if we are inside, please call 07870 221 375.

Playdays operates under a 'No Nuts' and a 'No Sesame' policy and we would like to thank everyone for continuing to support us by keeping all products that contain nuts and sesame, at home and away from Playdays.

Playdays Out of School Hours Club uses a paperless management system called Family. It makes communication between our settings and our families easy for everyone. You, as parents, can access your own accounts, pay your bills and even request session changes. Family is an extremely convenient way of managing your child(ren)'s care and at the same time, has dramatically reduced our carbon footprint.

If you have more than one child at our settings, you can use the same login for both, and manage their care, notices, and invoices in the same place. Once you have a login you can add another parent or anyone that may collect your child and put their picture on the system.

You can send messages to your club staff or to the office and report that your child is sick or going to be absent.

We encourage parents/carers to use the specified buttons on their child's Family profile to let us know if they will not be attending for any reason.

You can update details and permissions directly on Family, for example, if you move house or change your telephone number.

Newsletters, invoices, and accident forms will all be sent out on Family.

You are able to pay your invoice directly through Family using Family Pay and can even set up a direct debit, so you never miss a payment.

Playdays Activities

At Playdays, we ultimately want children to come to us to play and have fun; not to continue their school day with formal learning. We tailor our daily activities around the things that the children in our care enjoy playing with and are passionate about. We believe in planning in the moment and are enthusiastic about centering everything that we do around the wants and needs of all the children.

Mobile Phones and other Electronic Devices.

We have a strict mobile phone policy and personal phones are not permitted under any circumstances. If your child has a mobile phone with them, this will be removed and placed in a safe place until you come to collect them. If you need to contact your child while they are at the club, please call the Playdays mobile phone. Please do not allow your child to attend the club with personal electronic devices such as iPads, PSPs etc. They stop children from interacting with each other and we cannot take responsibility for them.

Equal Opportunity Policy

We believe that Playdays should be open to all children, families, and all other adults committed to children's welfare. We aim to ensure that all who wish to work or volunteer in our setting, have an equal chance to do so. Our service will be advertised as widely possible, and every effort will be made to accommodate all children's needs.

Our aim is to show respectful awareness of all the major events in the lives of the children and families in our care, in our society, and to welcome the diversity of backgrounds from which all people come. Without indoctrination of any specific faith, children will be encouraged to welcome a range of different festivals together with the stories, celebrations, food and clothing they involve, as part of the diversity of life.

All children will be respected and their individuality and potential recognised, valued, and nurtured. Activities, and the use of play equipment, offer children opportunities to develop in an environment free from prejudice and discrimination.

Playdays responsibly recruits and employs staff, and we take equal opportunities seriously. We have a legal responsibility to take such steps as are reasonably practical to prevent unlawful discrimination.

Additional Needs Statement

At Playdays, we strive to make all children and parents feel welcome and happy. All children will be respected and their individuality and potential recognised, valued, and nurtured. We aim to support children with additional needs and work with parents, health care professionals and other agencies.

Inclusion Policy

The setting aims to be fully inclusive and adhere fully to current guidelines and legislation. If a child has additional needs, then those needs will be discussed with parent(s) and a special care plan put into action. This will include staff training needs, strategies to be put in place and any additional support needed from the local authority, school, or other agencies.

Confidentiality

Information on an individual child will be kept in the registration form folder. Playdays staff will only share information with the child's parent(s) and then appropriate information with childcare professionals and staff.

In an extreme case, the manager can share information with an appropriate agency or childcare professional e.g., child protection.

Staff will not discuss matters of a confidential nature outside of the club or amongst themselves unless absolutely necessary. Private lives of parents and staff should be kept private.

Quality statement

Playdays believes in providing the best service it can and has a positive outlook to quality. We try to encourage feedback from parents and staff because we recognise that this is the way we can improve. We have high expectations of the children and staff, maintaining the quality we enjoy.

OFSTED and The Health and Safety Executive (who collectively look at every aspect of the business) will inspect the club regularly and without notice. As part of this process inspectors will talk to children and parents and ask for their opinions on the club. We gather feedback by talking to children and parents, sending out regular questionnaires. We also have a comments box for parents.

Healthy Eating Policy

We provide a snack for children when they arrive at the club, to keep children going until teatime. Our snacks include toast, brioche, rice cakes, breadsticks, fresh fruit, and vegetables, and very occasionally biscuits or party food at the end of term. Due to allergies, we **do not** permit children to bring their own food to Playdays unless there are special circumstances that have been previously discussed with staff.

Safeguarding Children Statement

We create an environment where children are safe, and build trusting and supportive relationships between families and staff. All staff and volunteers have been vetted through an in-depth employment process which Playdays is responsible for. This includes an enhanced disclosure check through the Disclosure and Baring Service, references, interview, observation, induction, and regular appraisals.

All staff regularly complete safeguarding training to keep themselves up to date with relevant issues and legislation. As such, staff understand that child abuse can be physical, emotional, sexual, neglect or a mixture of these. Changes in children's behaviour and appearance will be monitored and a child incident sheet completed and filed.

Parents/guardians will usually be the first point of reference where there are any concerns about the child or there is a safeguarding issue. The protection of the child is our top priority, and we will pass on appropriate information to Social Care and Ofsted. If an allegation is made, we will automatically pass on information to Social Care and Ofsted.

Records of individual children will be kept in a confidential file. All adults working and looking after children in our care are able to put our safeguarding procedures into practice. Playdays will comply with, and follow procedures outlined by the local safeguarding children's board in relation to child protection cases. A copy of those procedures and our Safeguarding and Child Protection Policy is kept on site for staff to refer to.

It is a requirement that a parent/legal guardian gives written permission if anyone other than either parent/legal guardian is going to collect a child. We will only release a child to a named person.

A copy of our full Safeguarding policy is available on request.

Behaviour Management Policy

We believe that children and adults flourish best in an ordered environment in which everybody knows what is expected of them, and ask parents support us in this. Children are then free to develop their play and learning with the feeling that they are secure and safe. We encourage children to develop self- discipline and self-esteem in an atmosphere of mutual respect.

Ways of encouraging positive behaviour include:

- Praising and reinforcing good behaviour
- Encouraging sharing and negotiation
- Setting a good example
- Consulting with children about 'rules'
- Helping children to understand the effects of their behaviour on others
- Helping children to challenge bullying, harassment and name calling
- Encouraging responsibility, for example, help with tidying up and looking after each other
- Reassuring children that they are always valued as individuals even if their behaviour may sometimes be unacceptable

No form of physical punishment will be used or threatened towards children. Likewise, we expect the same from parents whilst on the premises.

Any behavioural issues will be discussed with parent(s) and a joint approach to tackling any problem will be developed. As a very last resort, you may be asked to find alternative care for your child(ren) if a problem persists.

A copy of our full Behaviour Management Policy is available on request.

Tax Free Childcare

Tax free childcare is an online payment account topped up by the Government which parents use solely to pay their childcare costs.

For every 80p you or someone else pays in, the Government will top up an extra 20p, this is the equivalent to the tax most people pay, around 20% which gives it the name 'Tax Free'. The government will top up the account with 20% of childcare costs up to a total of £10,000 – the equivalent of up to £2,000 support per child per year (or £4,000 for disabled children).

You are able to apply for all your children at the same time. The scheme is available for children under the age of 12 (or 17 for children with disabilities).

To qualify, parents will have to be in work and each earning at least £120 a week and not more than £100,000 each per year.

Any eligible working family can use the tax-free childcare scheme – it doesn't rely on employers to offer a scheme. The scheme is available for parents who are self-employed, on paid sick leave and paid or unpaid statutory maternity, paternity and adoption leave.

If you currently receive Employer-Supported childcare (Employers Voucher Schemes) then you can continue to do so, you do not have to switch to tax-free childcare as employer supported childcare will continue to run. The current scheme for this is now closed to new entrants. Parents already registered will be able to continue using it for as long as their employer offers it.

It is not possible to use tax free childcare and employer voucher schemes simultaneously.

Parents and others can pay money into their childcare account as and when they like, this gives the flexibility to pay more in some months and less at other times. This means you can build up a balance in your account to use at times when you may need more childcare than usual, for example, over the summer holidays.

If your circumstances change or you no longer want to pay into the account, then you'll be able to withdraw the money you have built up. If this happens, the government will withdraw its corresponding contribution.

Further information on this can be found on the links below:

www.childcare.tax.service.gov.uk <https://www.childcarechoices.gov.uk>

Complaints Procedure

If you have a general comment to make, then you can talk to the staff member in charge of that particular area. If you would like to make a formal complaint this can be done either verbally or in writing to the club manager or to Andrew O'Connor c/o 11 Green Lane, Buxton, SK17 9DP. Normally a complaint can be dealt with quickly, however all complaints will be investigated and a response made within 28 days. A serious complaint will also be passed onto OFSTED or alternatively you can complain directly to them in writing to OFSTED Early Years, Piccadilly Gate, Store Street, Manchester, M1 2WD

A copy of the full complaints' procedure is available on request.

Medication

We can only administer prescribed medicines for a recognised condition*. The person prescribing that medication can be a doctor or appropriately qualified pharmacist or nurse.

A medical consent form on Family must be filled in by staff, giving full instruction on what medication is to be administered and the time; this will be sent to parents/carers on Family for them to acknowledge that all information is correct.

Staff will log any medication doses and the times that they were given to children on Family through the medication form for parents/carers to see and acknowledge.

Any child who has sickness and or diarrhoea should not return to Playdays until 48 hours have passed symptom free and they are not on any medication to control symptoms; this includes paracetamol suspension.

Please inform us if your child has an infectious or communicable disease as we may have to notify the appropriate authorities.

Parents/carers will be contacted to come and collect their child if they are poorly, or have a high temperature at Playdays; we do not have the facilities to nurse sick children.

***We cannot administer any non-prescription medication**

Sun policy - Outside play during warm/sunny weather.

- During warm weather please send your child with a hat. All children must wear a sun hat. Playdays will provide a suitable hat if you have not provided one.
- Children will always have access to drinking water.
- The after-school club will provide Lacura high factor children's sun block, and this will be applied to all exposed areas of skin before outside play time and at regular intervals according to manufacturer instructions.
- If your child has sensitive skin or cannot use the sun block that Playdays provides, then please provide a container of suitable sun block that is labelled with your child's name.

Pictures and Social Media

Pictures of your child(ren) taking part in activities are taken on a regular basis and used for internal displays and sending to you privately on Family. Playdays also has a Facebook and Instagram account where pictures will be uploaded for parents to access; only friends of Playdays will be able to access these pictures.

No pictures will be given to any third party.

If you do not want your child to have their picture taken or used for promotional/social media, the please indicate this on the parental agreement contract.

Data protection

To effectively look after the children in our care, it is important that we hold and retain certain information about them as well as their parents. Please note that we would only share information with third parties where there is a legal requirement to do so, i.e., in the case of a child protection issue.
