

# BJS PE AND SPORT NEWSLETTER

## Happy Christmas!

### Welcome to our BJS PE and Sport Newsletter!

Written by Sarah Bentley, PE and Sports Coordinator.

#### Extra Curricular School Clubs

Our activities are:

**Dance – Tuesday**

**Multi-Sports -Thursday**

New invitations have been sent out for children to attend these clubs next term.

#### Year 4 Benchball Event

On the last day of Term 1, all our Year 4 children took part in a fun benchball event at Buxton Community School. They took part in some training and then played games against each other. They all played very well as part of a team and improved their skills. Well done everybody!

#### High Peak Soccer Final Medal Winners!

At the beginning of November, our boys and girls football teams competed in the High Peak Soccer Final. We are delighted to announce that our boys finished as runners up after a nail-biting penalty shoot-out and our girls finished in first place. The girls will go forward to represent our school at the Derbyshire Soccer Final. We are proud of all our children who took part and represented our school so well.

## **Christmas Boccia Bonanza Medal Winners!**

Our Y6 Boccia teams had a great afternoon at the High Peak School and Sport Partnership Boccia competition at Chapel High School. They competed against teams from other High Peak primary and secondary schools and showed great skills in their matches. They had fun with the additional activities and were a credit to our school with their positive and considerate attitude.

## **Christmas Swim Spectacular**

A group of Year 6 children attended a swimming event hosted by High Peak School and Sport Partnership. Our children had a great time competing in swimming and novelty races, and finished with a fun session playing with floats and toys at the pool Christmas disco. Well done everyone!

## **Playground Leaders**

Year 6 have been developing their leadership skills in their PE lessons this term. They have been learning about the qualities needed to be a good leader and we have chosen a team of children to lead games in the playground.

## **Year 6 Visit to White Hall November 2024**

Our Year 6 pupils enjoyed a wonderful residential visit to White Hall, which is located on the outskirts of Buxton.

During their three day stay they took part in a variety of on and off-site outdoor activities which included: caving, rock scrambling, low ropes course, zip line, leap of faith, climbing wall and taking part in night-time games, 'Woods have Eyes' and 'Haggis Bandits'. The children acquired new skills, challenged themselves and made new friends. They were praised for their adventurous natures and demonstrated excellent team work and cooperative skills.

We would like to thank parents and carers for giving the children the opportunity to attend this residential trip, as the memories will last for years to come.

Here are just a small selection of photos. There are many more on our school Facebook page.
