

BJS PE AND SPORT NEWSLETTER

PE and Sport at Buxton Junior School!

A Personal Thank You

As this is my final PE newsletter after more than 20 years as PE Coordinator, I would like to take this opportunity to thank all the children, staff, parents and carers who have supported PE and school sport during my time in the role. It has been a privilege to watch so many children develop their confidence, skills, teamwork and enjoyment of sport, both in lessons and through the many competitions and events we have shared. I am incredibly proud of all that has been achieved and of the positive sporting culture we have built together. A special thank you must also go to Mr Wilshaw for his excellent PE lessons and his support in organising and running our school sports teams. His enthusiasm and dedication helps provide many wonderful sporting opportunities for our children. Also a big thank you to Mrs Morton who provides our children with so many fun and memorable active outdoor learning experiences. I am delighted to be handing over the role to Mrs Cudahy, who I know will continue to champion PE and sport and provide our children with many exciting opportunities in the years ahead. Thank you all for your support and for the many happy memories.

Year 5 and 6 'Quad Kids' Athletics Competition

Two teams from Year 5 and 6 took part in the Buxton Schools Quad Kids Athletics Competition. Each child participated in four athletic events: shot put, standing long jump, a sprint, and a middle-distance run. They all competed to the best of their ability and showed great sportsmanship by cheering each other on throughout the event.

Year 4 'Quad Kids' Athletics Competition

Two teams of Year 4 children took part in the Year 3 and 4 'Quad Kids' competition against other local schools. They participated in four athletic activities and finished in 1st and 3rd place. Everyone did the school proud by pushing themselves out of their comfort zones and supporting one another throughout the competition.

Cricket Competition

Our Year 6 children have enjoyed playing cricket at lunchtime and breaktimes and were able to put their skills to good use when they participated in a cricket competition at Buxton Community School. They took part in bowling and batting activities before playing an indoor game against another Buxton school, which they won. Everyone tried their best and played in the true spirit of the game.

Sports Morning

Thank you to all parents and carers who attended our Sports Morning. The children had a fantastic morning and were exceptionally well behaved. They enjoyed taking part in team sports and being cheered on by their teammates, parents and carers. Children were awarded stickers and prizes not only for their sporting achievements but also for displaying a positive attitude towards sport and demonstrating our sports values: determination, passion, teamwork, self-belief and respect. Hope House Team were the overall winners of the event!

Flat Race Finals

Our successful sports morning was followed later in the term by our flat race finals. The runners gave fantastic performances and were cheered on enthusiastically by their classmates. Congratulations to all our medal winners and well done to every child for their excellent support, encouragement and sportsmanship throughout the event.
